This health insurance issuer believes this Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your policy may not include certain consumer protections of the Affordable Care Act that apply to other plans (e.g., the requirement for the provision of preventive health services without any cost sharing). However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act (e.g., the elimination of lifetime limits on benefits).

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to WMI Mutual Insurance Company at 1-800-748-5340 or 801-263-8000. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

VI. COBRA, USERRA, AND EXTENSION OF BENEFITS:

- A. **The Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”):** If the Insured’s Employer employs more than 20 Employees on an average business day during the previous Calendar Year, federal law provides that the Employee and/or his Dependents may be entitled to continue insurance Benefits after termination of group health benefits upon a qualifying event for a period of up to

thirty-six (36) months. Some states also require employers with fewer than 20 employees to offer to the insured individuals continuation of their group health coverage. Your Employer can provide you with complete details of the available coverage. WMI Mutual Insurance Company does not assume responsibility for the Employer's duties under COBRA.

COBRA continuation coverage is available upon the occurrence of any of the following qualifying events:

1. Termination of employment.
2. Reduction of hours.
3. Death of employee.
4. Employee becomes entitled to Medicare benefits.
5. Divorce or legal separation.
6. Dependent child ceases to be a dependent under the Plan.

In the case of divorce, legal separation, or a Dependent ceasing to be a Dependent, it is the responsibility of the employee to notify the Employer in writing within 60 days of the qualifying event, and to send a copy of the notice to the Company. Election of the continuation coverage must be in writing within 60 days after the Employer sends notice of the right to elect continuation coverage. If election is not made within this 60-day period, the Employee and/or any qualified Dependents will lose the right to COBRA continuation coverage.

When COBRA coverage is available, any person who was on the insurance before termination has the right to select COBRA coverage independently. A newborn Child or a Child placed for adoption during a period of COBRA continuation coverage is also eligible for coverage for the remaining period of the continuation coverage, provided that they are enrolled according to the terms of the Policy. The continuation of coverage provided by the vision and dental plans is optional when the major medical coverage is chosen.

Coverage may be continued for up to 36 months for the spouse and or Dependent Child(ren) if group health coverage is lost due to the Employee's death, divorce, legal separation, the Employee's becoming entitled to Medicare, or because of loss of status as a Dependent Child under the Plan.

Coverage may be continued for up to 18 months if group health coverage terminates due to the employee's termination of employment or reduction in hours. However, there are three exceptions:

1. If an Employee or Dependent is disabled (as determined by the Social Security Administration) at any time during the first 60 days after the date of termination of employment or reduction in hours, then the continuation period for all qualified beneficiaries is 29 months from the date of termination of employment or reduction in hours. For the 29-month continuation period to apply, written notice of the determination of disability must be provided to the Employer within both the 18-month coverage period and within 60 days after the date of the determination.

2. If a second qualifying event occurs during the 18-month or 29-month continuation coverage period which would give rise to a 36-month period for the spouse and/or Dependent Child(ren) (for example, the Employee dies or becomes divorced) then the maximum coverage period for a spouse and/or Dependent Child(ren) becomes 36 months from the date of the initial termination of employment or reduction in hours. For the 36-month continuation period to apply, written notice of the second qualifying event must be provided to the Employer within 60 days after the date of the event.
3. If the qualifying event occurs within 18 months after the Employee becomes entitled to Medicare, then the maximum coverage period for the spouse and/or Dependent Child(ren) is 36 months from the date that the Employee became entitled to Medicare.

Premium payments for COBRA continuation coverage for the Employee and for any qualified Dependents for the “initial premium months” are due by the 45th day after electing the continuation coverage. The “initial premium months” are the months that end on or before the 45th day after the election of continuation coverage. All subsequent premiums are due on the first day of the month, subject to a 31-day grace period.

Continuation coverage will automatically terminate when any of the following events occurs:

1. The employer no longer provides group health coverage for any employees.
2. The premium for COBRA coverage is not paid during the required time period.
3. The insured becomes entitled to Medicare.
4. The insured becomes covered under another group health plan with no preexisting condition limitation.
5. The maximum continuation coverage period expires.

- B. The Uniformed Services Employment and Reemployment Rights Act of 1994 (“USERRA”):** If an Insured Employee is absent from employment due to service in the uniformed services, federal law provides that the Employee and his dependents are entitled to continue health insurance coverage for a period of up to twenty-four (24) months. Election of the continuation coverage must be made in writing within sixty (60) days of the date of commencement of any leave for military service.

Continuation coverage will automatically terminate if the Employee fails to pay the required premium, or if the Employee loses his rights under USERRA as a result of undesirable conduct, including court-martial and dishonorable discharge.

When an Insured Employee loses coverage under the group health Plan because the Employee leaves work to perform military service, and the group health Plan is subject to COBRA, the Employee and the Employee’s Dependents will be entitled to protections of both COBRA and USERRA. When the requirements of COBRA and USERRA differ, the Employee and the Employee’s Dependents are entitled to protection under the law that gives the greater benefit.

The term “uniformed services” means the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

C. Extension of Benefits:

An individual whose insurance under the group Policy has been terminated has the right to continue coverage under the group Policy for a period of twelve (12) months. This right to continue coverage includes any Dependent coverage. This right to continue coverage includes:

- (e) sabbatical or leave of absence;
- (e) a disability; or
- (e) a reduction of hours required to qualify for health benefits under the Employer’s health benefit plan.

An individual does not have the right to continue coverage if the individual:

- (a) fails to pay premiums or contributions in accordance with the terms of the Policy;
- (b) acquires other group coverage;
- (b) performs an act or practice that constitutes fraud in connection with the coverage;
- (b) makes an intentional misrepresentation of material fact under the terms of the coverage;

- (e) is not continuously covered under the group Policy for at least three (3) months immediately prior to termination;
- (e) is eligible for an extension of coverage required by federal law;

- (f) the Employee’s coverage is terminated because the Employer’s coverage is terminated.

The Employer shall provide the qualified individual written notification of the right to continue group coverage and the payment amounts required for continued coverage, including the manner, place, and time in which the payment shall be made. This notice shall be given not more than thirty (30) days after the termination date of the group coverage. The notice may be sent to: (i) the terminated Insured’s home address as shown on the records of the Employer; (ii) the address of the surviving Spouse, if different from the Employee’s and if shown on the records of the Employer; (iii) the address of the guardian of any Dependents, if different from the

Employee's and if shown on the records of the Employer; or (iv) the address of the ex-spouse, if shown on the records of the Employer.

To continue coverage, the Insured shall elect continuation coverage in writing and submit the first month's premium to the Employer within sixty (60) days after the date of notice to elect continuation coverage. If the Insured elects coverage, coverage continues as if there had been no interruption. If the Employer fails to provide complete, accurate and timely notice of the right to continue coverage, the Company shall provide the Employee, Spouse, or any eligible Dependent the opportunity to extend the group coverage if the Employee or other eligible individual contacts the Company with sixty (60) days of coverage termination.

The payment amount for continued group coverage may not exceed the group rate in effect for a group member, including the Employer's contribution, if any, for a group insurance Policy and an administrative fee for the Employer that may not exceed two (2) percent of the premium.

The Insured's continuation coverage may be terminated before twelve (12) months if:

- (a) fails to pay premiums or contributions in accordance with the terms of the Policy;
- (b) becomes eligible for similar coverage under another group policy;
- (c) performs an act or practice that constitutes fraud in connection with the coverage;
- (d) makes an intentional misrepresentation of material fact under the terms of the coverage;
- (e) establishes residence outside of this state; or
- (f) the Employee's coverage is terminated because the Employer's coverage is terminated.

If the Employer replaces coverage with similar coverage under another group Policy, without interruption, the terminated Insured has the right to obtain coverage under the replacement group policy for the balance of the period the terminated Insured would have continued coverage under the replaced group Policy, provided the terminated Insured is otherwise eligible for continuation of coverage.

VII. COORDINATION OF BENEFITS, WORKERS' COMPENSATION EXCLUSION, THIRD PARTY LIABILITY AND PERSONS COVERED BY MEDICARE:

A. COORDINATION OF BENEFITS:

1. This Coordination of Benefits (COB) provision applies to this Plan when an Insured also has health care coverage under another plan such as:

This also includes coverage for students other than school accident-type coverage; or

2. In the event benefits apply under two or more health care plans, the order of benefit determination rules should be consulted and the following provisions shall apply:
- (a) The Benefits under this Plan shall not be reduced when, under the order of benefit determination rules, this Plan determines Benefits before another health care plan, but may be reduced when, under those rules, another health care plan determines its benefits first, whether or not a claim is made under the other health care plan.
 - (b) If the other health care plan does not contain a coordination of benefits provision, the benefits of that coverage will be determined before any Benefits under this Plan are determined.
 - (c) If the other health care plan contains a coordination of benefits provision, the rules establishing the order of benefit determination are as follows:
 - 1. The benefits of the health care plan which covers the person (to whom the claims relate) as other than a Dependents(s), such as an employee, member, policyholder, retiree or subscriber, shall be determined before the benefits of a health care coverage which covers such a person as a Dependent(s).
 - 2. When a Child(ren) is a patient and where the parents are married or living together if they have never been married, the benefits of the health care plan of the parent whose birthday, that is, month and day of the month, falls earlier in a year are determined before those of the health care plan of the parent whose birthday falls later in the year. If the parents have the same birthday, the plan that has covered the Child longer determines benefits first.
 - 3. When a Child(ren) is a patient and the parents are separated or divorced or are not living together if they have never been married, the following rules apply:
 - i) If a court decree states that one of the parent's is responsible for the Child(ren)'s health care expenses or health care coverage, the responsible parent's plan is the primary plan.
 - ii) If the parent with responsibility has no health care coverage for the Child(ren)'s health care expenses, but the spouse of the responsible parent does have health care coverage for the Child(ren)'s health care expenses, the responsible parent's spouse's plan is the primary plan.

- iii) If a court decree states that both parent are responsible for the Child(ren)'s health care expenses or health care coverage, the provisions of section 2(c)(2) above shall determine the order of benefits.
 - iv) If a court decree states that the parent's have joint custody without stating that one parent has responsibility for the health care expenses or health care coverage of the Child(ren) the provisions of section 2(c)(2) above shall determine the order of benefits.
 - v) If there is no court decree allocating responsibility for the Child(ren)'s health care expenses or health care coverage, the order of benefits are determined as follows:
 - a. Benefits are determined first by the health care plan of the parent with custody of the Child(ren);
 - b. Then by the health care plan of the spouse (if any) of the parent with custody of the Child(ren);
 - c. Then by the health care plan of the parent not having custody of the Child(ren);
 - d. Then by the health care plan of the spouse of the parent not having custody of the Child(ren).
 - vi) For a Child(ren) covered under more than one plan, and one or more of the plans provides coverage for individuals who are not the parent of the Child(ren), such as a guardian, the order of benefits shall be determined under the provisions of section 2(c)(2) or section 3 above, as if those individuals were the parents of the Child(ren).
4. The benefits of a plan, which covers a person as an active employee who is neither laid off or retired, or as a dependent of an active employee, are determined before those of a plan which cover that person as a retired or laid off employee. If the other health care plan does not have this rule, and if, as a result, there is not an agreement between this Plan and the other health care plan on the order of benefits, this rule is ignored. This section does not apply if the rule in section 2(c)(1) can determine the order of benefits.
5. If a person whose coverage is provided pursuant to COBRA or under a right of continuation pursuant to state or other federal law is covered under another plan on the basis of their employment, the plan covering the person as an employee, member, subscriber or retiree, or covering the person as a dependent of an employee, member, subscriber or retiree is the primary plan, and the plan covering that same person pursuant to COBRA or under a right of continuation pursuant to state or other federal law is the secondary plan. If the other health care plan does not have this rule, and if, as a result, there is not an agreement

between this Plan and the other health care plan on the order of benefits, this rule is ignored. This rule does not apply if the rule in section 2(c)(1) can determine the order of benefits.

6. If the individual is insured under two health plans where none of the above applies, the benefits of the plan which has covered the individual for the longer period of time shall be determined first.

(d) **Overpayment:** In the event the Company provides Benefit payments to the Insured or on his/her behalf in excess of the amount which would have been payable by reason of coverage under another health care coverage, the Company shall be entitled to recover the amount of such excess from one or more of the persons it has paid or for whom it has paid, insurance companies, or other organizations.

Note: A health care plan, as listed above, which provides benefits in the form of services may recover the reasonable cash value of providing those services, if applicable under the above rules, to the extent that benefits are for Covered Services and have not already been paid or provided by this Plan.

B. WORKER'S COMPENSATION EXCLUSION: Expenses for which payment is required under applicable workers' compensation statutes are not eligible for payment under this medical Plan. This Plan is not in place of and does not affect any requirement for coverage by workers' compensation insurance.

C. THIRD PARTY LIABILITY: In the event the Insured sustains any Illness or Injury for which a third party may be responsible, the following provisions apply:

1. **Recovery Rights:** Up to the amount of Benefits paid in connection with the Illness or Injury, the Company shall be entitled to the proceeds of any settlement or judgment which results in a recovery from the third party, but only under the conditions that the Insured is primary, and the Company is secondary.
2. If the Insured does not seek recovery from the responsible third party, the Insured shall hold the rights of recovery against the third party in trust for the Company up to the amount of Benefits paid in connection with the Illness or Injury.
3. The Company shall pay out of such proceeds actually recovered a proportionate share of any reasonable expense incurred in effecting collection from the third party or his insurer.
4. Receipt by the Insured or on behalf of the Insured of any Benefits in connection with the Illness or Injury shall constitute the Insured's unconditional agreement to each and all of the provisions set forth in this Plan.

D. PERSONS COVERED BY MEDICARE:

1. This Plan will pay its Benefits before Medicare for:
 - (a) An active Employee who is age sixty-five (65) or older and is with a group of twenty (20) or more Employees, as that term is defined in the Medicare secondary payer rules.
 - (b) A Dependent spouse who is age sixty-five (65) or older, of an active Employee who is employed with a group of twenty (20) or more Employees, as that term is defined in the Medicare secondary payer rules.
 - (c) The time period required by federal law during which Medicare is the secondary payer to a group health plan and the Insured individual is receiving treatment for end-stage renal disease (ESRD).
2. If the Dependent spouse is also actively employed and enrolled under a group health plan provided by the spouse's Employer, this Plan shall then be secondary to that coverage and Medicare becomes the third payer.
3. This Plan will pay Benefits only after Medicare has paid its Benefits:
 - (a) For all other Insured persons; and
 - (b) After the time period required by federal law, during which Medicare was the secondary payer to a group health plan and the Insured individual received treatment for end-stage renal disease (ESRD).

VIII. GENERAL POLICY INFORMATION:

A. COMPUTATION OF EMPLOYER PREMIUMS: The initial premium due thereafter shall be the sum of:

1. The number of persons then Insured for Employee Benefits in each classification multiplied by the applicable rate per person; and
2. The number of persons then Insured for Dependent Benefits, if any, in each classification multiplied by the applicable additional rate per person based on the classifications as determined by the premium rates in effect on such premium due date. Applicable rates are available from the Company upon request.

The Company reserves the right to change the rate for any insurance provided under this Plan:

1. On the Plan's renewal date by giving written notice to the group Policyholder at least forty-five (45) days prior to such premium due date; or
2. On any date the provisions of this Plan are changed as to the Benefits provided or classes of persons Insured.

Instead of methods of computation of premiums provided above, premiums may be computed by any method mutually agreeable to the Company and the Policyholder which produces approximately the same total amount.

- B. **PAYMENT OF PREMIUMS:** All premiums due under this Plan, including adjustments thereof, if any, are payable by the Policyholder on or before their respective due dates, at the Home Office of the Company. The payment of any premium shall not maintain the insurance under this Plan in force beyond the day immediately preceding the next due date, except as otherwise provided herein.
- C. **GRACE PERIOD:** A grace period of thirty-one (31) days will be allowed for payment of any premium due, unless the Policyholder gives written notice of discontinuance prior to the premium due date. The Plan remains in force during such grace period. If payment is not received before the grace period expires, the Plan will be terminated as of the last day of the grace period.
- D. **TERMINATION OF POLICY:** If the Policyholder fails to pay any premium within the grace period, this Plan shall automatically terminate on the last day of such grace period, but the Policyholder shall, nevertheless, be liable to the Company for the payment of all premiums then due and unpaid, including a pro rata premium for the grace period. If, however, written notice is given by the Policyholder to the Company, during the grace period, that this Plan is to be terminated before the expiration of the grace period, this Plan shall be terminated as of the date of receipt of such written notice by the Company or the date specified by the Policyholder for such termination, whichever date is later, and the Policyholder shall be liable to the Company for the payment of all premiums then due and unpaid, including a pro rata premium for the period commencing with the last premium due date and ending with such date of termination.

The Policyholder is obligated to notify each insured Employee, in writing, 30 days prior to the date of Policy termination, that group coverage is being terminated, and of the right to continue coverage.

- E. **RECORD OF EMPLOYEES INSURED:** The Company shall maintain a record which shall show at all times the names of all Employees insured hereunder, the beneficiary, if any, designated by each such Employee, the date when each Employee became insured and the Effective Date of any change in coverage and such other information as may be required to administer the insurance hereunder. The Company shall furnish the Policyholder, upon its reasonable request, a copy of such record. The Policyholder shall furnish periodically to the Company such information relative to Employees becoming insured, changes in coverage, and termination of insurance as the Company may require for the administration of the insurance hereunder. Any records of the Employer and/or Policyholder that may, in the opinion of the Company have a bearing on the insurance hereunder, shall be open for inspection by the Company at a reasonable time.
- F. **EMPLOYEE'S CERTIFICATE:** The Company will issue, as appropriate, directly to the Insured Employee, or to the Policyholder, for delivery to each Insured Employee, an individual certificate setting forth a statement as to the insurance

protection to which he/she is entitled, to whom the Benefits are payable, and such limitations or requirements in this Plan as may pertain to the Insured Employee. The word "certificate" as used in this Plan shall include certificate riders and certificate supplements, if any. Such certificates shall not constitute a part of this Plan.

- G. **CLAIM AND APPEAL PROCEDURES:** Following is a description of how the Plan processes claims and appeals. A claim is defined as any request for a Plan Benefit, made by an Insured or a representative of an Insured, that complies with the Plan's procedures for making a claim. There are two types of claims: pre-service and post-service. The different types of claims are described below. Each type of claim has a specific time period for approval, request for further information or denial, as well as specific time periods for appeal reviews. Time periods begin at the time that a claim is filed, and "days" refers to calendar days.

Pre-Service Claim

A pre-service claim is any claim for a benefit under the plan where the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of obtaining medical care (*i.e.*, claims subject to pre-certification). In the event of a pre-service claim, the Insured will receive a notification of the benefit determination within fifteen (15) days after the receipt of the request. If additional information is needed, the Insured will be notified within that time and will be given at least forty-five (45) days to respond. A notification of the benefit determination will be sent within fifteen (15) days after the receipt of the additional information.

Although recommended, Pre-certification for pre-service claims involving Urgent Care is **not** required. However, once the care is no longer Urgent Care, Pre-certification requirements will apply and the pre-service claim will be subject to the time periods as described above.

Pre-Service Urgent Care Claim

Pre-certification for pre-service claims that involve Urgent Care is **not** required, although it is recommended. Once the care is no longer Urgent Care, the Pre-certification requirements will apply. If Pre-certification is performed for a pre-service claim that involves Urgent Care, the benefit determination will be made within seventy-two (72) hours. If a request for an Urgent Care pre-service claim that fails to meet the filing procedures is received or is incomplete, notice will be sent to the Insured regarding the proper procedures to be followed for filing a request. This notice will be provided as soon as possible but no later than twenty-four (24) hours after the receipt of the request. The Insured will be given at least forty-eight (48) hours to provide the necessary information. A benefit determination will be provided within forty-eight (48) hours after receiving the necessary information.

Concurrent Care Claim

For concurrent review requests involving a request by the Insured to extend the course of treatment beyond the initial period of time or treatments, a determination will be made no later than twenty-four (24) hours after the date of receiving the request, as long as the request was filed at least twenty-four (24) hours prior to the expiration of the approved period of time or number of treatments. If the request for

extension does not involve Urgent Care, the Company must notify the Insured of the benefit decision using the response times for a post-service claim. An ongoing course of treatment for which Pre-certification has been received may not be subsequently reduced or terminated unless written notice is provided to the Insured sufficiently in advance to allow the Insured to appeal the determination and obtain a decision prior to the reduction or termination.

Post-Service Claim

A post-service claim is any claim that involves the cost for medical care that has already been provided to the insured. Post-service claims will never be considered to be claims involving urgent care.

In the event of a post-service claim, the Insured will receive a notification of the benefit determination within thirty (30) days after the receipt of the request. If additional information is needed, the Insured will be notified within that time and will be given at least forty-five (45) days to respond. A notification of the benefit determination will be sent within fifteen (15) days after the receipt of the additional information.

Notice to Insured of Adverse Benefit Determination

Adverse benefit determination means a denial, reduction, termination of, or a failure to provide or make payment, in whole or in part, for a benefit, including any such denial, reduction, termination or failure to provide or make payment that is based on a determination of a participant's eligibility to participate in the plan. The plan will provide written or electronic notification that sets forth the reason for the adverse benefit determination.

Appeals

In the event of an adverse benefit determination, the Insured has 180 days from the receipt of the adverse benefit determination notification in which to file an appeal. An Insured may submit comments, documents, records and other information relating to the claim, and will, upon request, be provided free of charge, access to, and copies of, all documents, records, and other information relevant to the claim that were used in the initial benefit determination. The Company provides two levels of appeal review, which may be performed either internally or independently, as described herein. Both of these levels must be exhausted before an Insured can file suit in court. If an Insured receives an adverse decision on the first level of appeal, he may submit the appeal for a second level of review within sixty (60) days of receipt of the first level decision, along with any additional applicable information. In the case of a pre-service claim, each level of appeal will be responded to within fifteen (15) days after the receipt of the appeal. In the case of a post-service claim, each level of appeal will be responded to within thirty (30) days after the receipt of the appeal.

For pre-service claims, both levels of appeal must be submitted in writing to the utilization review company that performed the Pre-certification and a copy must be submitted to the Company. For post-service claims, both levels of appeal must be

submitted in writing to the Company. The benefit determination on review will be communicated in writing, and will set forth the reasons for the decision and the provisions of this Plan upon which the decision was based.

Notwithstanding the previous provisions, an Insured may request an expedited review of an adverse benefit determination of medical necessity that involves Urgent Care. Such request may be submitted orally or in writing. If the request is made orally, the Company will, within twenty-four (24) hours, send written confirmation to the Insured acknowledging receipt of the request for an expedited review. All necessary information, including the Plan's original benefit determination, will be transmitted between the Company and the Insured by facsimile, telephone, or other available similarly expeditious method. The benefit determination upon review will be made as soon as possible, taking into account the medical urgency, but not later than seventy-two (72) hours after the Insured's request for expedited review.

Reviews of all appeals of adverse benefit determinations, except those described in the following paragraph, will be conducted internally by a person or a committee of persons who is neither the individual who made the initial adverse benefit determination nor the subordinate of that individual. The time period within which a determination on appeal is required to be made will begin at the time that an appeal is filed.

If the appeal of an adverse benefit determination is based on a medical judgment, including determinations with regard to whether a particular treatment, drug or other item is experimental, investigational or not medically necessary or appropriate, an independent review will be conducted. For this review, the plan will consult with an independent health care professional, who is not affiliated with the Company, who was not involved in the initial benefit determination, and who has appropriate training and expertise in the field of medicine involved in the medical judgment. There will be no fee charged to the Insured for an independent review.

If an Insured receives an adverse decision upon the exhaustion of both of the required levels of internal or independent review, he has the right to file suit in court pursuant to §502 of the Employee Retirement and Income Security Act ("ERISA").

- H. **CONFORMITY WITH LAW:** If any provision of this Plan is contrary to any law to which it is subject, such provision is hereby amended to conform thereto.
- I. **EXPERIENCE RATING REFUNDS:** This Plan shares in the surplus earnings of the Company. Surplus earnings are defined as the amount of earnings in excess of earnings required to maintain minimum compulsory surplus required by law and the amount required to maintain an appropriate level of financial reserve as determined by the Board of Directors in its sole discretion.

In any Calendar Year in which there are surplus earnings as a result of favorable claims experience, and the Board of Directors in its discretion determines that it is appropriate and advisable to return the surplus earnings to the Policyholders, such surplus earnings will be refundable to eligible Employers as an experience rating refund. The method and timing of the refund is determined by the Company's Board

of Directors. To be eligible to participate in the experience rating refund, a participating Employer must be a Policyholder at the time the refund is made.

- J. **NON-ASSESSABLE PLAN:** If for any reason the Company is unable to maintain required reserves or pay justified claims for Benefits, Benefits may be reduced in accordance with an equitable plan approved by law.
- K. **ANNUAL MEETING:** The annual meeting of the Company shall be held on the first Friday in December of each year at the Home Office of the Company.
- L. **ENTIRE CONTRACT:** This Plan and all attachments hereto, the application of the Policyholder, and individual applications and the enrollment cards of Insured Employees constitute the entire contract between the parties. All statements made by the Policyholder or by the insured Employees and their Dependents shall, in the absence of fraud, be deemed representations and not warranties. No statement made by an Insured Employee or his Dependents shall affect the insurance or be used in defense to a claim hereunder unless such statement is formalized in writing and a copy of the instrument containing such statement is, or has been furnished to such Employee or to his beneficiary. No such statement may be a basis for avoidance of a policy, coverage, or denial of a claim for loss incurred or disability commencing after the coverage has been in effect for two (2) years.
- M. **AMENDMENT AND ALTERATION OF CONTRACT:** This Plan may be amended at any time, subject to the laws of the jurisdiction in which it is delivered, without the consent of the Employees insured hereunder or of their beneficiaries, by written agreement between the Policyholder and the Company. This Plan may also be amended on the Plan's renewal date upon sixty (60) days written notice from the Company to the Policyholder. No modification or amendment of this Plan shall affect the right or the extent of Benefits of any Insured Employee or Insured Dependent who is, on the Effective Date of such modification or amendment, Hospital confined or confined in an Extended Care Facility until the first discharge therefrom occurring after such Effective Date. No change in the Plan shall be valid until approved by a duly authorized officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent has authority to change any Plan or waive any provision thereof.
- N. **NOTICE AND PROOF OF CLAIM:** Written or electronic claim must be submitted to the Company within three-hundred sixty-five (365) days of the Date Incurred for which Benefits arising out of each Injury or Illness may be claimed. Unless otherwise excused as provided below, failure to timely file such claim shall release the Company from any liability to pay such claim. Notice given by, or on behalf of, the claimant to the Company at its Home Office or to any authorized agent of the Company, with particulars sufficient to identify the Insured Employee or Insured Dependent, shall be deemed to be notice to the Company. Failure to furnish notice within the time provided in the Plan shall not invalidate any claim if it is shown that it was not reasonably possible to furnish such notice and that such notice was furnished as soon as was reasonably possible.

The Company, upon receipt of the notice required by the Plan, will furnish to the claimant such forms as are usually furnished by the Company for filing proof of loss. If such forms are not so furnished within fifteen (15) days after the Company receives such notice, the claimant shall be deemed to have complied with the requirements of the Plan of filing proof of loss, written proof covering the occurrence, character, and extent of the loss for which claims are made.

- O. **EXAMINATION:** The Company shall have the right and opportunity to have the person of any individual whose Injury or Illness is the basis of a claim examined when and so often as it may reasonably require during pendency of claim hereunder. The Company shall also have the right and opportunity to make an autopsy in the case of death where it is not forbidden by law.
- P. **PAYMENT OF CLAIM:** Upon request of the Insured Employee and subject to due proof of loss, the accrued daily Hospital Benefits will be paid each week during any period for which the Company is liable and any balance remaining unpaid at the termination of such period will be paid promptly upon receipt of due proof. Any other Benefits provided in the Plan will be paid promptly after receipt of due proof.

All Benefits are payable to the Employee or his legal assignee. If any such Benefits remain unpaid at the death of the Employee, if the Employee is a minor, or if the Employee is, in the opinion of the Company, legally incapable of giving a valid receipt and discharge for any payment, the Company may, at its option, pay such Benefit to the Employee's legal heirs. Any payments made will constitute a complete discharge of the Company's obligations to the extent of such payment and the Company will not be required to see the application of the money so paid.

- Q. **MEDICAL RECORDS:** The Company shall have the right to request and receive, without cost or expense, and as a condition precedent to liability for any Benefits to be provided under this Plan, medical records relating to care and treatment of any Insured who claims Benefits under this Plan. The Insured, by requesting any Benefits hereunder, does fully authorize, empower, and direct his/her Provider to furnish the Company with such complete reports and medical records.
- R. **OVERPAYMENTS:** If for any reason the Company pays any amount to, or on behalf of, the Insured for (i) services not covered under this Plan; (ii) services which exceed amounts to be paid as Benefits under this Plan; or (iii) services on behalf of a person believed to be a Dependent who is not covered under this Plan, the Company may, at its discretion, recover overpayments from one or more of the persons it has paid or for whom it has paid. The Company may also recover overpayments from future claim payments made to the same provider for services that are rendered to the same Insured.

The time limits listed below apply for requesting overpayments.

1. At any time in the event a fraudulent insurance act is committed.
2. Within twenty-four (24) months for amounts that were improperly paid for a coordination of benefits error.

3. Within twelve (12) months for amounts that were improperly paid for any other reason not specific above.
 4. Within thirty-six (36) months for amounts that were improperly paid when the improper payment was due to a recovery by Medicaid, Medicare, the Children's Health Insurance Program, or any other state or federal health care program.
- S. **LEGAL PROCEEDINGS:** No action of law or in equity shall be brought to recover on the Plan until the earlier of: (i) sixty (60) days after proof of loss has been filed in accordance with the requirements of the Plan; (ii) waiver by the Company of proof of loss; or (iii) the Company's denial of payment, nor shall such action be brought at all unless brought within three (3) years from the expiration of the time within which proof of loss is required by the Plan.
- T. **TIME LIMITATION:** If any time limitation of the Plan with respect to giving notice of claim or furnishing proof of loss, or the bringing of an action at law or in equity, is less than that permitted by the law of the state in which the Policy is delivered, such limitation shall be extended to agree with the minimum period permitted by such law.
- U. **INTERPRETATION:** Whenever the context of this Plan requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The captions which precede parts of this Plan are for reference only and shall not affect the manner in which any provision hereof is construed. Words that are capitalized throughout this document shall have the meaning prescribed to them in the Definitions section of this document.
- V. **SUPERSEDED PLAN:** In the event this Plan is issued to supersede a health care Plan previously issued by the Company, Benefits furnished under the previous health Plan shall apply against the Benefit maximums of this Plan as though such Benefits had been furnished under this Plan.
- W. **PREFERRED PROVIDER ORGANIZATION ("PPO"):** If you obtain services from a preferred provider, eligible Benefits will be processed according to the preferred provider discounted rate, and will be reimbursed at a higher percentage level. A directory of PPO providers is available from the Company, free of charge. You may also obtain services from a non-preferred provider, however, eligible Benefits will be processed according to the usual, reasonable and customary rate and will be reimbursed at a lower percentage level.

The Company will process claims for covered health care services received from a non-preferred independent hospital, a credentialed staff member at an independent hospital, a credentialed staff member at his local practice, or a federally qualified health center at the preferred provider coinsurance level if the enrollee: (i) lives or resides within 30 paved road miles of such provider; or (ii) lives or resides in closer proximity to such provider than a preferred provider. In addition, if there is a lack of a specific type of preferred provider within 30 miles of an insured's residence, and an insured must travel more than 30 miles to reach a preferred provider who is qualified to provide the specific service that is needed, the service may be obtained

from the closest appropriate non-preferred provider who is qualified to provide the service, and claims will be processed at the preferred provider coinsurance level.

- X. **RIGHTS UNDER ERISA:** If the Insured has any questions about the Plan, he or she should contact the Company. If the Insured has any questions about this statement or his or her rights under ERISA or the Health Insurance Portability and Accountability Act (HIPAA), he or she should contact the nearest area office of the Pension and Welfare Benefits Administration, U.S. Department of Labor listed in the telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, at 200 Constitution Avenue, N.W., Washington, D.C. 20210.
- Y. **QUALIFIED MEDICAL CHILD SUPPORT ORDER (“QMCSO”):** A QMCSO is a court judgment, decree, or order, or a state administrative order that has the force and effect of law, that is typically issued as part of a divorce or as part of a state child support order proceeding. A QMCSO requires that health plan coverage be provided to a child of the Employee. A copy of the Company’s QMCSO procedures may be obtained free of charge, upon request.
